

The Boost

Boosting the body with this IV combination, bypasses the digestive track and results in improved mood, focus, mental clarity. Recharge your body by clearing out some toxins and replenishing the much needed hydration and nutrients! You will feel the difference!

Battery Recharge

You've heard it before "I just need to recharge my batteries!" Delay no longer, assist your body in fighting fatigue, improve cellular repair and create mitochondrial energy to feel "renewed". Includes a Lipoic Acid Mineral Complex (LAMC): Palladium, alpha lipoic acid, molybdenum, rhodium, ruthenium, methionine, N-acetylcystein, B1, B2, B12

Natural Defense

Help your immune system do what it was made to do, naturally. Vitamin C is a potent anti-oxidant that fights infections, boosts the immune system and can also provide high energy. Avoid getting sick by fueling your immune system with high-impact nutrients to keep you resilient.

BONUS with ozone for super potent virus fighting, autoimmune and chronic illness

Iron Replenish

Are you chronically anemic and have little energy to prove it? Oral iron is constipating and poorly absorbed, give yourself a direct boost to combat chronic anemia; replenish your iron stores. Series of up to 5 IVs (based on ferritin level) to obtain best results with the safest form of IV iron, Venofer (iron sucrose). One vial per treatment provides 100 mg of iron sucrose in 100 ml Normal Saline (minibag)

Performance Recovery

Decrease your recovery time and enhance your performance! Get re-hydrated and re-energized after you've trained hard. Replenish nutrients and fluids, combat muscle fatigue and recover faster. Amazing results when used in combination with NovoTHOR.

DNA Repair

Heal the body at the cellular level by impacting your DNA repair process. This IV helps to slow down the natural aging process, improve endurance, combat chronic fatigue and improve mental clarity.

Includes: NAD (nicotinamide adenine dinucleotide)

Alleviate

Calm and melt those headaches, anxiety, and muscle cramps away. Created for relaxation of the body, the brain and the muscles, including, symptoms of PMS, this customized IV includes premium-quality compounds which may also reduce bloating, irritability, and provide an overall sense of wellness. Includes magnesium, calcium, B1, B2, B3, B5, B6, B12

Glutathione

Glutathione is the body's most important antioxidant and it helps to prevent and reverse the effects of free radicals. Glutathione is involved in many processes in the body, including tissue building and repair, making chemicals and proteins needed in the body, and for the immune system.
